Dear Herman,

Welcome back to Washington! I hope that Sarah and you had an enjoyable stay in Palm Springs. I need not recount to you how much has transpired here on international and domestic issues in that short interval. We must discuss this one day.

My reason for writing this note centers on my open invitation to you to speak here at the Agency. If May 13th is open on your calendar, the Agency and I would be delighted and honored to have you address an audience of about 500 people in our auditorium.

Pat and I send our best to Sarah and you.

Yours,
